

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

$$\text{grapes} = 3 \quad \text{apple slice} = 4 \quad \text{banana} = 5$$

1) $\text{apple slice} + \text{apple slice} = \text{banana} + \text{grapes}$

2) $12 = \text{apple slice} + \text{apple slice} + \text{apple slice}$

3) $\text{banana} + \text{banana} + \text{banana} + \text{banana} = 25$

My Answer: _____

Key: 3
