TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

$$\text{pear} = 8$$

$$\text{avocado} = 10$$

$$\text{purple fruit} = 9$$

$$1) 36 = \text{purple fruit} + \text{purple fruit} + \text{purple fruit} + \text{purple fruit}$$

$$2) \text{avocado} + \text{purple fruit} = \text{pear} + \text{pear} + \text{pear}$$

$$3) \text{pear} + \text{avocado} = \text{purple fruit} + \text{purple fruit}$$
