# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

1)  $7 \times \text{gemstones} = 5 \times \text{gemstones} + 2 \times \text{gemstones}$

2)  $\text{cactus} \times 10 = \text{cactus} \times 5 + \text{cactus} \times 5$

3)  $12 \times \text{telescope} = 6 \times \text{telescope} + 2 \times \text{telescope}$
