# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

1) **Four times five equals twenty.**

2) **Three times three equals nine.**

3)  $4 \times \text{robot} = \text{robot} + \text{robot} + \text{robot} + \text{robot}$

My Answer: \_\_\_\_\_

Key: 1
