

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

 = 44	 = 18
 = 11	 = 70

1)  -  +  = 52

2)  - $\left(\text{girl icon} \div \text{fire icon} \right) \times 3 = 58$

3) $\left(\text{axe icon} - 3 \times \text{house icon} \right) \div 8 = 2$

My Answer: _____

Key: 1
