# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

## Club Membership

- 1) Club membership was the lowest in 2018.
- 2) In 2022, the coding club had 21 more members than the chess club did.
- 3) The greatest difference between the number of chess club members and coding club members was in 2022.

My Answer: \_\_\_\_\_

Key: 3
