

Name: _____

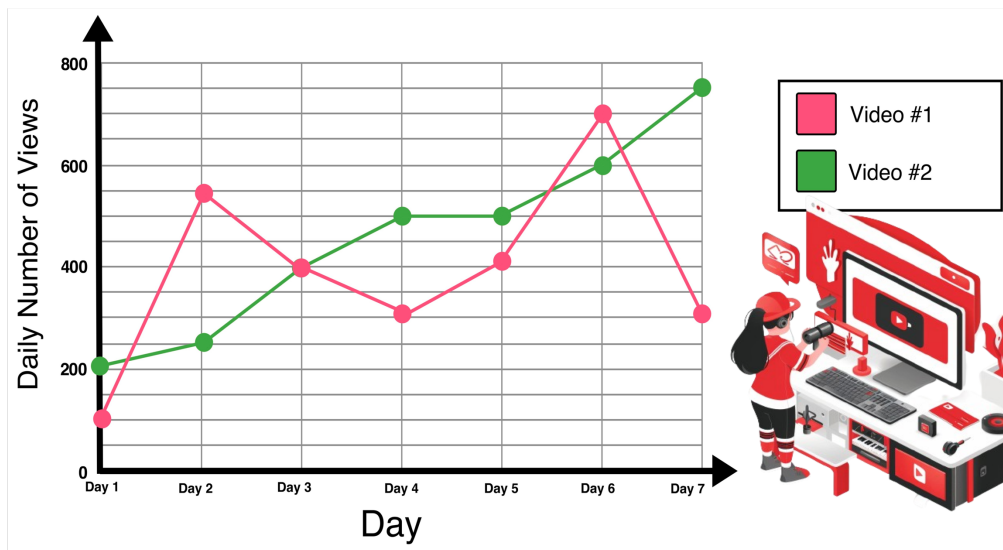

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

Video Views

- 1) Both videos had the same number of views on Day 3.
- 2) From Day 4 to Day 7, Video #2 had a total of 2,250 views.
- 3) Videos #1 and #2 had 800 combined total views on Day 2.

My Answer: _____

Key: 2
