

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

 = 3	 = 5
 = 4	 = 9

1) $20 = \text{key} + \text{key} + \text{key} + \text{key}$

2) $\text{refrigerator} + \text{refrigerator} + \text{refrigerator} = \text{coffee maker}$

3) $\text{cactus} + \text{cactus} + \text{cactus} + \text{cactus} = 12$

My Answer: _____

Key: 3
