

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

 = 20	 = 50
 = 11	 = 80

1) $100 - \text{butterfly} = \text{caterpillar on leaf}$

2) $100 - \text{caterpillar} = 91$

3) $100 - \text{bee} = \text{bee}$

My Answer: _____

Key: 2
