

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

HOURS SPENT STUDYING

Gabby										
Renee										
Michael										
Alfonso										

= 1 hour studying

- 1) Renee and Alfonso studied for a combined total of 18 hours.
- 2) Only Renee and Alfonso spent more than 7 hours studying.
- 3) Michael spent the fewest number of hours studying.

My Answer: _____

Key: 1
