

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

$$\begin{array}{ccc} \text{Banana} = 3 & \text{Watermelon slice} = 2 & \text{Coconut} = 4 \end{array}$$

A) $\text{Banana} + \text{Watermelon slice} = 5$

B) $\text{Coconut} + \text{Watermelon slice} = 6$

C) $\text{Coconut} - \text{Watermelon slice} = \text{Banana}$

My Answer: _____

Key: C
