

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

$$\begin{array}{ccc} \text{raspberry} = 1 & \text{pear} = 3 & \text{lemon} = 0 \end{array}$$

A) $\text{pear} + \text{pear} = 6$

B) $9 + \text{lemon} = \text{lemon}$

C) $\text{pear} - \text{raspberry} = 2$

My Answer: _____

Key: B
