# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

$$\text{Smoothie} = 10 \quad \text{Strawberry} = 5 \quad \text{Ice Cream} = 9$$

A)  $\text{Strawberry} + \text{Strawberry} = \text{Smoothie}$

B)  $\text{Smoothie} - \text{Ice Cream} = 1$

C)  $\text{Strawberry} + \text{Ice Cream} = 13$

My Answer: \_\_\_\_\_

Key: C
