# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

- 1) The median number of minutes spent on social media was 126.
- 2) 50% of teens spend more than two hours a day on social media.
- 3) 34% of teens spend fewer than 30 minutes a day on social media.

My Answer: \_\_\_\_\_
