TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

The following equations have

= 5 as a solution.

$$1) \frac{2}{5} (\text{teddy bear}) + 17 = 19$$

$$2) 8 (\text{teddy bear}) + 3 = 10 (\text{teddy bear}) - 7$$

$$3) -1 (\text{teddy bear}) - 3 = \text{teddy bear} - 8$$

My Answer: _____

Key: 3
