# TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

## Number of Hours Spent Gaming (Weekly)

- (1)** The least number of hours spent gaming was 4
- (2)** 7 is the most common number of hours spent gaming.
- (3)** The center of the data set is between 5 and 7.

My Answer: \_\_\_\_\_

Key: 3
