

Name: _____

READY FOR A CHALLENGE?

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Crying Blue Face} \div \text{Angry Red Face} = 1$$

$$\text{Vomiting Green Face} \times \text{Crying Blue Face} \times \text{Vomiting Green Face} = 64$$

$$\text{Surprised Blue Face} = \text{Angry Red Face} \times \text{Crying Blue Face} - \text{Angry Red Face}$$

$$\text{Crying Blue Face} = \text{Vomiting Green Face}$$

$$\text{Vomiting Green Face} + \text{Angry Red Face} + \text{Surprised Blue Face} \times \text{Crying Blue Face} = ?$$

My Answer: ? = _____

Key:

Vomiting=4

Crying=4

Angry=4

Surprised=12

?=56
