

Name: _____

READY FOR A CHALLENGE?

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$24 = \text{2 bears} + \text{2 bears} + \text{1 gorilla}$$

$$\text{1 gorilla} - \text{2 bears} = 0$$

$$40 = \text{2 monsters} \times \text{2 monsters} + \text{1 bear}$$

$$151 = \text{1 penguin} + \text{2 monsters} \times \text{2 monsters}$$

$$\text{2 penguins} + \text{1 gorilla} \times \text{2 monsters} = ?$$

My Answer: ? = _____

Key

Teddy Bear=4

Gorilla=8

Penguin=7

Monster=6

?=110
