Happy 90's Day!

90's Day, celebrated on March 31st, the 90th day of the year, is a nostalgic celebration of the 1990s, inviting people to reminisce and relive the unique fashion, music, pop culture, and trends that defined this vibrant and transformative decade.

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a fib! Explain how you made your decision.

The following symbols all represent real numbers...

A) $6 \times$ $- 51$

The product of six and the difference of a number and fifty-one.

B) $9($ $) - 2($ $)$

Twice a number subtracted from nine times another number.

C) $($ $)^2 \div \sqrt{}$

The quotient of a number squared and the square root of the same number.

My Answer: _____
