Date: _____

READY FOR A CHALLENGE?

Directions: Use your math skills to find the value of each symbol.

$$\text{Ring} = \boxed{\text{Watermelon Slice} + \text{Watermelon Slice} + \text{Watermelon Slice}}$$

$$\text{Candy Bag} = \frac{\text{Lollipop} + \text{Candy} + \text{Ring}}{\text{Ring} \div \text{Lollipop}}$$

$$\text{Watermelon Slice} + \text{Candy Bag} = 15$$

$$\text{Ring} + \text{Candy Bag} = \text{Watermelon Slice} \times \text{Watermelon Slice}$$

				
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Key:

Ring Pop=15

Sour Melon=5

Strawberry Candy=10

Lollipop=3

Jelly Beans=2
