

Name: _____

HAPPY BOOK LOVERS DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Brain on book} + \text{Brain on book} + \text{Lightbulb with glasses} = 150$$

$$\text{Book with rocket} \times 3 = 51$$

$$\text{Book with rocket} + \text{Lightbulb with glasses} + \text{Lightbulb with glasses} = 77$$

$$\text{Book with worm} = \text{Brain on book} + \text{Book with rocket}$$

$$\text{Book with rocket} + \text{Brain on book} + \text{Lightbulb with glasses} + \text{Book with worm} = ?$$

My Answer: ? = _____

Key:

Book=17

Light=30

Brain=60

Book Worm=77

?=184
