# HAPPY BOOK LOVERS DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Book with rocket} + \text{Book with rocket} + \text{Book with rocket} = 6$$

$$\text{Lightbulb with glasses} - \text{Book with rocket} = 3$$

$$\text{Lightbulb with glasses} + \text{Open book with brain} = 12$$

$$\text{Book with rocket} + \text{Open book with brain} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Book=2

Light=5
