

Name: \_\_\_\_\_

# HAPPY CAKE DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$121 = \text{cake} \times \text{candy}$$

$$\text{cake} + \text{candy} + \text{cake} = 33$$

$$\text{cake} \times 5 = \text{candles}$$

$$\text{candles} - 40 = \text{pan}$$

$$\text{candles} + \text{pan} + \text{candy} - \text{cake} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Cake=11

Icing Bag=11

Baking Mold=15

Candles=55

?=70
