

Name: _____

HAPPY CAKE DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{cake} + \text{cake} + \text{cake} = \text{candy}$$

$$\text{candy} = \text{candle} \times \text{candle} \times \text{candle}$$

$$250 - \text{candy} = 34$$

$$\text{pan} = \text{candle} + \text{candle} + \text{candle}$$

$$\text{candy} + \text{pan} \times \text{candle} - \text{cake} = ?$$

My Answer: ? = _____

Key:

Cake=72

Icing Bag=216

Baking Mold=18

Candles=6

?=252
