

Name: _____

Happy Candle Day!

Candle Day, observed on December 2nd each year, is a time to celebrate and enjoy the glow of candles and how they symbolize warmth, hope, and spirit for the upcoming holiday season!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Candle} + \text{Candle} + \text{Candle} = 15$$

$$\text{Candle Shop} = \text{Candle} + \text{Candle}$$

$$\text{Candle Shop} - \text{Fire Extinguisher} = 4$$

$$\text{Fire Extinguisher} + \text{Candle} = ?$$

My Answer: ? = _____

Answer Key:

Candle=5

Candle Shop=10

Fire Extinguisher=6

?=11

Fun Fact: On Candle Day, enthusiasts often indulge in a scented candle shopping spree, as it's famously known for offering the best deals of the year on aromatic candles, turning homes into fragrant havens.
