TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

$$\text{teddy bear} = 30 \quad \text{fish} = 15 \quad \text{donut} = 5$$

$$1) \quad 0.5 \times \text{teddy bear} = \text{three donuts}$$

$$2) \quad \text{donut} \times 3 = \text{fish}$$

$$3) \quad 0.2 \times \text{teddy bear} = 0.60$$

My Answer: _____
