Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Cappuccino} + \text{Cappuccino} + \text{Cappuccino} = 6$$

$$\text{Barista} + \text{Cappuccino} = 7$$

$$\text{Cinnamon} - \text{Barista} = 3$$

$$\text{Cappuccino} + \text{Cinnamon} + \text{Barista} = ?$$

My Answer: ? = _____

Answer Key:

Cappuccino=2

Barista=5

Cinnamon=8

?=15

Fun Fact: In Italy, Italians typically avoid drinking cappuccinos after 11 AM, considering it a morning beverage due to its milk content, and they usually prefer espresso or other less milky coffees in the afternoon and evening to aid digestion.
