

Name: _____

CHOCOLATE CAKE DAY!

Chocolate Cake Day, celebrated on January 27th, is a deliciously tempting holiday that invites everyone to indulge in the rich, decadent delights of chocolate cake, celebrating one of the most beloved and versatile desserts in a variety of styles and recipes.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Candle Cake} + \text{Candle Cake} = 4$$

$$9 - \text{Candle Cake} = \text{Strawberry Cake}$$

$$\text{Strawberry Cake} - 1 = \text{Chocolate Bar}$$

$$\text{Candle Cake} + \text{Chocolate Bar} + \text{Strawberry Cake} = ?$$

My Answer: ? = _____

Answer Key:

Chocolate Birthday Cake=2

Chocolate Strawberry Cake=7

Chocolate Bar=6

?=15

Fun Fact: The first known recipe for chocolate cake appeared in 1847, but it wasn't until the late 19th century, with the mass production of cocoa powder, that chocolate cake as we know it today became popular, transforming into a staple treat in bakeries and households worldwide.
