

Name: _____

Date: _____

TWO TRUTHS & ONE LIE!

Use your math skills to determine which of the three statements below is a dirty lie! Explain how you made your decision.

$$\text{Pinata} = 9 \quad \text{Sombrero} = 5 \quad \text{Maracas} = 23$$

1) $\text{Maracas} = \text{Pinata} + \text{Sombrero} + \text{Pinata}$

2) $\text{Maracas} - \text{Pinata} = 27 - \text{Sombrero}$

3) $37 = \text{Maracas} + \text{Sombrero} + \text{Pinata}$

My Answer: _____

Key: 2
