# HAPPY COFFEE DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{milk carton} + \text{coffee machine} + \text{coffee machine} = 157$$

$$\text{coffee cup} + 11 + \text{coffee cup} = 77$$

$$\text{coffee cup} \div \text{milk carton} = 1$$

$$3 \times \text{coffee jar} = \text{coffee cup}$$

$$\text{coffee machine} - \text{coffee jar} + \text{coffee cup} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Coffee Mug=33

Milk=33

Coffee Beans=11

Coffee Machine=62

?=84
