

Name: _____

Ready for a Challenge?

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$156 = \text{Watermelon} \times \text{Ice Cream} + \text{Watermelon}$$

$$\text{Jar} - \text{Ice Cream} = 3$$

$$23 = \text{Cup} + \text{Jar}$$

$$\text{Ice Cream} = \text{Watermelon}$$

$$\text{Jar} + \text{Cup} \times \text{Cup} - \text{Watermelon} = ?$$

My Answer: ? = _____

Answer Key:

Watermelon=12

Popsicle=12

Jar=15

Plastic Cup=8

?=67
