

Name: _____

Ready for a Challenge?

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Detective} + \text{Safe} - \text{Detective} + \text{Safe} = \text{Detective}$$

$$\text{Money} = \text{Camera} + \text{Camera} + \text{Camera}$$

$$12 = \text{Money} \div 3 + \text{Money}$$

$$\text{Money} - \text{Camera} = \text{Detective}$$

$$\text{Safe} \times \text{Detective} \times \text{Camera} = ?$$

My Answer: ? = _____

Answer Key:

Detective=6

Safe=3

Camera=3

Money=9

?=54
