

Name: _____

Ready for a Challenge?

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$24 = \text{dog bowl} + \text{dog bowl} + \text{dog face}$$

$$\text{bone} \times \text{steaming bowl} = 800$$

$$1 = \text{dog face} \div \text{steaming bowl}$$

$$2 + \text{dog face} = 2 + \text{dog bowl}$$

$$\text{dog bowl} \div \text{steaming bowl} \times \text{dog face} \times \text{bone} = ?$$

My Answer: ? = _____

Answer Key:

Dog Food=8

Puppy=8

Poop=8

Bone=100

?=800
