

Name: _____

HAPPY COMIC BOOKS DAY!

Comic Book Day, celebrated on September 25th, is a day to appreciate the art, storytelling, and cultural impact of comic books, inviting enthusiasts and newcomers alike to explore the diverse and imaginative world of this unique narrative format.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Batman} \times \text{Batman} \times \text{Batman} = 216$$

$$\text{Batman} + \text{Cyborg} + \text{Harley Quinn} = \text{Cityscape}$$

$$\text{Cyborg} \times \text{Cyborg} = 169$$

$$\text{Cityscape} = \text{Batman} \times \text{Cyborg}$$

$$\text{Batman} + \text{Cityscape} + \text{Cyborg} + \text{Harley Quinn} = ?$$

My Answer: ? = _____

Answer Key:

Masked Hero=6

Cyborg Villain=13

Motorcycle=59

Futuristic City=78

?=156

Fun Fact: The first recognized modern comic book, "Famous Funnies," was released in the United States in 1933 and is considered to be the precursor to today's colorful and diverse comic books. This publication was a compilation of humorous comic strips from newspapers, which was a novel idea at the time. Its success paved the way for the comic book industry as we know it today, eventually leading to the creation of iconic superhero characters and expansive fictional universes.
