# HAPPY DESSERT MONTH!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Cake} + \text{Sandwich} + \text{Muffin} = \text{Pie}$$

$$\text{Cake} - \text{Muffin} = 0$$

$$\text{Muffin} \times \text{Muffin} \times \text{Muffin} = 343$$

$$\text{Sandwich} \times \text{Sandwich} \times 2 = 98$$

$$\text{Pie} + \text{Muffin} \times \text{Sandwich} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Cake=7

Pie=21

Cupcakes=7

Donuts=7

?=70
