

Name: _____

HAPPY FAST FOOD DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Burger and fries} + \text{Burrito} + \text{Burger and fries} = 150$$

$$\text{Pizza and drink} \times \text{Pizza and drink} = 196$$

$$\text{Burger and fries} \div \text{Pizza and drink} = \text{Chicken wings}$$

$$25 = \text{Chicken wings} \times \text{Chicken wings}$$

$$\text{Burger and fries} + \text{Burrito} + \text{Pizza and drink} - \text{Chicken wings} = ?$$

My Answer: ? = _____

Key:

Burger Combo=70

Chicken Bucket=5

Pizza Combo=14

Taco=10

?=89
