

Name: _____

FROZEN YOGURT DAY!

Frozen Yogurt Day, celebrated on February 6th, is a delightful tribute to “FroYo”, a popular frozen dessert known for its creamy texture and tangy flavor, often enjoyed with a variety of toppings and celebrated for being a healthier alternative to traditional ice cream.

Directions: Use your math skills to find the value of each icon and the ‘?’ in the puzzle below.

$$16 = \text{cup of yogurt} + \text{cup of yogurt}$$

$$\text{cup of yogurt} + 3 = \text{yogurt maker}$$

$$\text{cup of yogurt} = \text{pile of candy} + \text{pile of candy}$$

$$14 - \text{pile of candy} = \text{yogurt shop}$$

$$\text{yogurt shop} + \text{yogurt maker} = ?$$

My Answer: ? = _____

Answer Key:

Frozen Yogurt Cup=8

Frozen Yogurt Machine=11

Toppings=4

Frozen Yogurt Shop=10

?=21

Fun Fact: Although frozen yogurt surged in popularity in the United States in the 1980s as a healthier alternative to ice cream, it actually originated in the 1970s, and its unique tangy flavor comes from the use of cultured milk rather than just cream.
