

Name: _____

HAPPY GARDEN MONTH!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Tray of 3 carrots} \times \text{Seedling} = 72$$

$$\text{Seedling} = 12 - \text{Seedling}$$

$$\text{Flower} = \text{Tray of 3 carrots}$$

$$\text{Flower} \times \text{Watering can} \times \text{Watering can} = \text{Flower}$$

$$\text{Tray of 3 carrots} - \text{Watering can} \times \text{Seedling} = ?$$

My Answer: ? = _____

Key:

Carrots=12

Lotus Flower=12

Watering Can=1

Seedling=6

?=6
