# HAPPY GINGERBREAD HOUSE DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Gingerbread House} + \text{Gingerbread House} + \text{Gingerbread House} = \text{Candy Cane}$$

$$\text{Candy Cane} \times 1 = \text{Gingerbread Man}$$

$$\text{Gingerbread Man} + 1 + \text{Gingerbread Man} = 25$$

$$\text{Candy Beans} + \text{Gingerbread House} = 6$$

$$\text{Gingerbread Man} + \text{Candy Cane} + \text{Candy Beans} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Gingerbread House=4

Gingerbread Man=12

Jelly Beans=2

Candy Canes=12

?=26
