

Name: _____

HAPPY GINGERBREAD HOUSE DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Gingerbread House} + \text{Gingerbread House} + \text{Gingerbread House} = \text{Candy Cane}$$

$$\text{Candy Cane} \times 1 = \text{Gingerbread Man}$$

$$\text{Gingerbread Man} + 46 + \text{Gingerbread Man} = 250$$

$$\text{Candy Beans} \times \text{Gingerbread House} = 136$$

$$\text{Candy Cane} + \text{Gingerbread House} \times \text{Candy Beans} - \text{Gingerbread Man} = ?$$

My Answer: ? = _____

Key:

Gingerbread House=34

Gingerbread Man=102

Jelly Beans=4

Candy Canes=102

?=136
