

Name: _____

HAPPY GREASY FOOD DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Burger and Drink} + \text{Pizza} - \text{Burger and Drink} + \text{Pizza} = \text{Burger and Drink}$$

$$\text{Chicken} = \text{Fries} + \text{Fries} + \text{Fries}$$

$$12 = \text{Chicken} \div 3 + \text{Chicken}$$

$$\text{Chicken} - \text{Fries} = \text{Burger and Drink}$$

$$\text{Pizza} \times \text{Burger and Drink} \times \text{Fries} = ?$$

My Answer: ? = _____

Key:

Pizza=3

French Fries=3

Hamburger=6

Fried Chicken=9

?=54
