

Name: _____

GRILLED CHEESE DAY!

Grilled Cheese Day, celebrated on April 12th, is a delicious celebration of the grilled cheese sandwich, a beloved comfort food made with melted cheese between two slices of toasted bread, often enjoyed with a variety of creative fillings and accompaniments.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Cheese} = 4 + 5$$

$$\text{Cheese} - \text{Bread} = 8$$

$$\text{Pan} = 3 + \text{Bread}$$

$$\text{Cheese} + \text{Pan} + \text{Bread} = ?$$

My Answer: ? = _____

Answer Key:

Cheese=9

Bread=1

Frying Pan=4

?=14

Fun Fact: Grilled cheese sandwiches date back to the 1920s when inexpensive sliced bread and American cheese became available. The grilled cheese sandwich gained popularity during the Great Depression as an affordable and filling meal. Over time, it evolved from a simple cheese sandwich to being grilled, leading to the crispy, golden-brown, melty-cheese delight we enjoy today.
