

Name: _____

HAPPY HOLIDAYS!

The holiday season, a time of year typically from late November to early January, is celebrated with an array of cultural and religious events, characterized by festive decorations, family reunions, gift-giving, and a spirit of goodwill and reflection as the year draws to a close.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Pancakes} + \text{Cake} + \text{Cake} = 36$$

$$14 - \text{Coffee} = \text{Snowman}$$

$$\text{Snowman} = \text{Coffee}$$

$$\text{Cake} \div 2 = 8$$

$$\text{Pancakes} \times \text{Snowman} - \text{Cake} = ?$$

My Answer: ? = _____

Answer Key:

Snowman Cookie=7

Cappuccino=7

Chocolate Cake=16

Pancakes=4

?=12
