

Name: _____

HAPPY HOLIDAYS!

The holiday season, a time of year typically from late November to early January, is celebrated with an array of cultural and religious events, characterized by festive decorations, family reunions, gift-giving, and a spirit of goodwill and reflection as the year draws to a close.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Fishing Boat} \times \text{Character} = \text{Thermometer}$$

$$\text{Gingerbread House} - \text{Thermometer} = 8$$

$$\text{Gingerbread House} \times \text{Gingerbread House} = 100$$

$$\text{Character} = \text{Thermometer}$$

$$\text{Gingerbread House} \times \text{Character} - \text{Fishing Boat} = ?$$

My Answer: ? = _____

Answer Key:

Igloo=10

Thermometer=2

Kid=2

Ice Fishing=1

?=19
