

Name: _____

HAPPY HOLIDAYS!

The holiday season, a time of year typically from late November to early January, is celebrated with an array of cultural and religious events, characterized by festive decorations, family reunions, gift-giving, and a spirit of goodwill and reflection as the year draws to a close.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{2 mittens} - \text{campfire} = 42$$

$$45 \div \text{hat} = \text{campfire}$$

$$\text{hat} \times \text{hat} = 25$$

$$10 + \text{2 mittens} = \text{coffee cup}$$

$$\text{coffee cup} + \text{2 mittens} + \text{campfire} = ?$$

My Answer: ? = _____

Answer Key:

Hat=5

Fire=9

Mittens=51

Coffee=61

?=121
