# HAPPY HOLIDAYS!

The holiday season, a time of year typically from late November to early January, is celebrated with an array of cultural and religious events, characterized by festive decorations, family reunions, gift-giving, and a spirit of goodwill and reflection as the year draws to a close.

**Directions:** Find the value of each symbol in the area model below so that the entire box represents the value:

300

5

200

2

## Answer Key:

**25 x 12**

Snow Globe=20

Mug=10

Snowman=50

Ornaments=40
