Name: _____

Celebrate Jazz Day!

Jazz Day, celebrated on April 30th, is a global recognition of jazz as an art form that promotes dialogue among cultures, diversity, and respect for human rights and dignity, encouraging peace, unity, and collaboration through the universal language of music.

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

 + + = 62

 + = 44

 − 9 = 16

 × = 36

 + + + = ?

My Answer: ? = _____

Trumpet=25

Musician=19

Record=2

Jazz Club=18

? = 64

Fun Fact: Jazz was created by African American musicians in New Orleans, Louisiana, at the turn of the 20th century. This innovative music genre combined elements of African rhythms, blues, ragtime, and European music, particularly band music. Jazz was initially a form of expression for the African American community, reflecting their cultural heritage and experiences. It quickly spread and evolved, becoming a significant and influential musical style that has profoundly impacted many other genres and cultures worldwide.
