# HAPPY TELL A JOKE DAY!

**Directions:** Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Star} + \text{Two Kids Laughing} \div \text{Star} = \text{Dinosaur}$$

$$\text{Clown} = 56 \div 8 \times 3$$

$$\text{Two Kids Laughing} - \text{Star} = 0$$

$$\text{Clown} = \text{Star} \times 3$$

$$\text{Dinosaur} \times \text{Two Kids Laughing} \times \text{Star} - \text{Clown} = ?$$

My Answer: ? = \_\_\_\_\_

Key:

Clown=21

Star=7

Kids=7

Dinosaur=8

?=371
