

Name: _____

HAPPY JUNK FOOD DAY!

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{burger and fries} \times \text{burger and fries} + \text{burger and fries} = 90$$

$$71 - \text{chips} = \text{burger and fries}$$

$$\text{chips} \div 2 + \text{burger and fries} = \text{cookie}$$

$$\text{cookie} - \text{candy} = 24$$

$$\text{cookie} - \text{burger and fries} + \text{chips} - \text{candy} = ?$$

My Answer: ? = _____

Key:

Fast Food=9

Cookie=40

Potato Chips=62

Candy=16

?=77
