

Name: _____

READY FOR A CHALLENGE?

Directions: Use your math skills to find the value of each icon and the '?' in the puzzle below.

$$\text{Spider-Man} - \text{Batman} = \text{Superman}$$

$$2 \times \text{Batman} - 3 = 17$$

$$\text{Batman} + 2 \times \text{Superman} = 32$$

$$\text{Spider-Man} + \text{Superman} + \text{Batman} = ?$$

My Answer: ? = _____

Key:

Batman=10

Superman=11

Spiderman=21

?=42
